

**About the 2024 School Entrance Financial Assistance System (for new and renewal applications)**

—For those who have trouble paying school expenses (school lunch fee, etc.) due to financial reasons—

Fuchu City provides financial assistance to parents/guardians for necessary educational expenses (school supplies, etc.) for their elementary and junior high school children, depending on the family’s circumstances.

★ **The school entrance financial assistance system is not renewed automatically, so you must apply for it every year.**

- If you were approved last year (2023) and wish to continue receiving assistance, please be sure to apply.
- Even if you received enrollment preparation subsidies on this March, you must apply if you wish to receive financial assistance for school supplies, school lunch, etc.
